2008-09 Season Wrapup

What a season 2008/09 was...

We had it all. Rain, draws due to unfit grounds, teams missing out on finals by the barest of margins, and an Association President that didn't rate the club and publicly acknowledged this fact on Community Radio. Didn't week just stick that up him?

This year, we had four teams competing for flags. Twos, Fours, Sixes, and One Day D. Their respective captains were Mappy, The Myth, Numbers/Deano, and Gibbo/Brucey/Pricey/Tony/Nudge. The successes of the teams varied as well. Twos (4th) and Fours (3rd) ended playing semi finals while Sixes (6th) and One Day D (6th) were ultra-competitive.

This season was extra special to Maddington as it was the first time for some time that we had four sides in competition and that is thanks mainly to our new players and long time returning players for the season.

We also promoted our top team from Third Grade to Second Grade and there was an heir of uncertainty as to how we would perform. We were going into the new competition with the same structure, so would we have the

same influence as the previous year, only time would tell. As is always, our main goals for this year were to be competitive and look to have our teams finish in the top four.

It was also a great year for sponsors. We welcomed a new Major Sponsor in Budget Eyewear, who have been absolutely fantastic this year with their generosity with supplying UV Protected/Polarised sunglasses for both the Senior and Junior sides, Down Under Panel & Paint for providing the Man of the Match award for the Top Side at the conclusion of each game, our new Standard Sponsor Jayde Transport who have signage around each home game, and Staminade for providing copious cartons of product that the club enjoyed consuming throughout the season, which helped revenue over the bar.

We also thank our existing sponsors for the season as well, Paint Industries for their donation of paint product for the line markings for both pitches and grounds and Bondall for their kind donation of non-slip paint for the practice facilities and their cash donation.

Season Wrapup

From Pg1.

Throughout the season, there were a number of highlights and lowlights, some of these are as follows:

- 4th Grade making the highest team total of 252
- 4th Grade making the lowest team total of just 38
- Highest score, Rutts making 121* in One Day D
- The best bowling average for the club, Fletch 3.50
- Most wickets for the season, Ando 45
- Best bowling performance, Kelton 6/30
- Most catches by a wicket keeper, Dean Fitzzy 29
- Most number of runs for the season, Gougs 425
- Who could forget Brucey making 160 runs for the season
- Deano hitting his first six for the club
- Most sixes for the season, is a tie between Tommy and The Myth both with 12
- Most fours for the season, Gougs with 56
- Most expensive bowling for the season, Alby 5/113
- Top catches by fielder, The Myth 16
- Most run outs, a tie between JB O'Reilly, Ozzie and Kelton with 3
- 2nd Grade missing out on the One Day Final by 6 runs
- No forfeits throughout the year

Among these were the success of both the Twos and Fours this year making the finals this improving on success

last year. Both teams performed admirably however, were not able to make the Grand Final, beaten by the eventual competition winners in each grade.

A special mention also goes to our Social Committee. Without them, functions like the Player's Tea, Christmas Party, Australia Day Stakes, and the Mexican Night just can't get off the ground and provide players with an avenue to let their hair down and enjoy a few brewskis/jimbos.

Finally, on behalf of the club, we would like to thank our club coach Mappy. I am sure that you will all agree that Mappy has been a tireless leader and supporter of the club during his tenure as club coach, however, even good things must come to an end and Mappy has advised the Committee that he will not be coaching next season, but actively participating as a player. So on behalf of the club and players, we thank you Mappy for all your efforts.

So, another year has come and gone. The club is looking forward to next season with the number of new recruits we attracted this season and look forward to seeing you all back for next season. You never know, we may also be looking at increasing the number of sides in the competition to five.

So if you have any friends or family that want to play cricket next season, please invite them down and lets hope that season 2009/10 will be just as successful as 2008/09.
